

PROTECTION ADVOCACY GROWTH ECONOMY

We've Got You Covered.

PROTECTION

- \$1 million liability coverage*
- \$10,000 coverage policy for legal defense of employment, criminal, and ethics cases with the Georgia Professional Standards Commission*
- All coverage is “win or lose” with no reimbursements, deductibles, or up-front costs.
- Direct access to one-on-one, privileged, and confidential guidance from an expert legal team
- Interactive Code of Ethics presentations, FAQs, and informative resources

ADVOCACY

- Your voice at the Capitol — and with policymakers at the local, state, and national level
- PAGE engages lawmakers on a variety of issues that affect educators and students throughout the year and especially during each session of the Georgia General Assembly.
- Advocacy focus areas include salary increases and pay supplements, school funding, teacher evaluation, assessment and accountability, the Teachers Retirement System, and preventing the expansion of private school vouchers.

**Coverages are subject to industry standard exclusions. For specifics of coverage and exclusions, visit the self-service member portal at <https://members.pageinc.org>.*

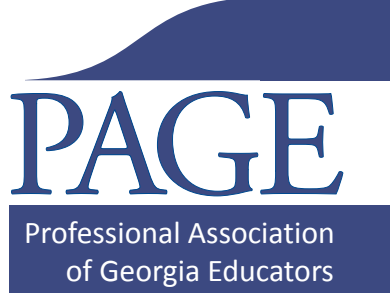

GROWTH

- One-on-one coaching enables you to overcome professional challenges.
- Growth-focused professional learning opportunities throughout the state.
- Grants to support your classroom and growth as a Georgia educator.
- Scholarships to support your continuing education and career goals.
- Teacher and student recognition programs and academic competitions: STAR, Academic Decathlon, and more
- Future Georgia Educators initiatives support Georgia's teacher pipeline.
- *PAGE One* magazine, educator resource materials, and more to keep you informed

ECONOMY

- More benefits than any other Georgia educator association
- Your best value:
 - Less than \$15 monthly for certified personnel
 - Less than \$8 monthly for support staff
- Dues support you — not political action committees; local, state, or national candidates; national organizations; or non-education issues
- Dues stay in Georgia to work for you.

PAGE is the nation's largest independent educator association — with members serving in every Georgia school district — and the best option for your professional future. Membership is available to all Georgia educators and school employees as well as college and high school students enrolled in education courses. Learn more at www.pageinc.org.
